

5 reasons why FlexTerm is a better mortgage protection solution

01

YOU ARE NOT LOCKED IN WITH A BANK

Your coverage stays with you! Get the freedom to bank, refinance and shop around for the best mortgage rates without having to re-apply for insurance.

02

YOU ARE IN CONTROL

It benefits your family, not the bank. Ability to choose your beneficiary, allowing your loved ones to decide which financial priority to take care of.

03

UNDERWRITTEN AT TIME OF APPLICATION

Contrary to most banks, you don't risk learning you're not covered at time of claim.

04

MORE CASH IN YOUR POCKETS

More affordable than mortgage insurance offered by financial institutions.

05

COVERAGE THAT CAN LAST A LIFETIME

Keep your coverage for as long as you need it, as long as you pay the premiums, the coverage will automatically renew, even after you finish paying your mortgage.
